Fact #1: The Fit Pass is the on-line order form for the ATHLETE ONLY! Parents, your name should NEVER be on the profile for your athlete. Check with your rep if you want to order items for a parent. That would be the only time to create a PARENT/FAN Profile.

Fact #2: All SIZES are chosen by the Athlete/Parents. The rep is only there to give the athlete the options to best make their size choice.

Request #1: Wear form fitting clothing (Compression shorts, sports bra, or bathing suit). Changing will happen in the open and samples to try on can be refused if proper undergarments are not worn. Samples do not leave the fit area. No bathrooms.

Changes: Any changes to your order AFTER you review and submit your order at the end of the fitting will need to be in writing emailed to your coach.

FIT PASS INSTRUCTIONS:

- 1. Scan the QR Code. BEFORE FIT DAY**
- 2. Create a new profile. (Remember Fact #1). BEFORE FIT DAY**
- 3. Build your Order: Select Items, Sizes and Quantities. AT FIT DAY**
